

# This Lesson Meets National Standards

This lesson addresses the following standards established by the National Art Education Association.

<b>Content Standard</b>	<b>Achievement Standard</b>
Understanding and applying media, techniques, and processes	Students use art materials and tools in a safe and responsible manner
Using knowledge of structures and functions	Students generalize about the effects of visual structures and functions and reflect upon these effects in their own work
Choosing and evaluating a range of subject matter, symbols, and ideas	Students use subjects, themes, and symbols that demonstrate knowledge of contexts, values, and aesthetics that communicate intended meaning in artworks
