

# This Lesson Meets National Standards

This lesson addresses the following standards established by the National Art Education Association:

<b>Content Standard</b>	<b>Achievement Standard</b>
Understanding and applying media, techniques, and processes	Students apply media, techniques, and processes with sufficient skill, confidence and sensitivity that their intentions are carried out in their art.
Understanding the visual arts in relation to history and cultures	Students will know and compare characteristics of artworks in various eras and cultures.
Reflecting upon and assessing the characteristics and merits of their work and the work of others	Students will compare multiple purposes for creating works of art.
