1. Name and define three elements of art.
2. Describe the way an artist has used three elements of art in a work of art.
3. Apply two or more elements of art effectively in a work of art.

What Your Students will Learn

Your students will learn about art, themselves and the world in this unit. They will also have fun! The "I Can" statements are a kid friendly way of presenting the learning goals and objectives of this unit, all of which have been aligned with the National Art Education Association Standards.

Have students write each "I Can" statement in their sketchbooks as they gain new skills.

Or, photocopy the "I Can" statements check-off sheet in the student section so that students can track their progress.
