

# Art Words

Write vocabulary words and definitions in your sketchbook. Use Art Words as you answer journal responses and discuss art work.

- **Shape**
  - The outline of a figure or form. Shapes can be geometric or freeform
- **Form**
  - The shapes of an object that has the three-dimensions of height, width and depth.
- **Balance**
  - The arrangement of art elements in a composition which leads to an equilibrium in the work.
- **Leather-hard**
  - Clay that is dry enough to hold its shape but damp enough to be carved or joined to other pieces.
- **Bone dry**
  - Clay without a trace of moisture. Will usually feel room temperature.
- **Bisque ware**
  - Ceramic ware that has been fired once and is ready for glazing.
