

# ART WORDS

WRITE VOCABULARY WORDS AND DEFINITIONS IN YOUR SKETCHBOOK. USE ART WORDS AS YOU RESPOND TO JOURNAL RESPONSES AND DISCUSS ART WORK.

- **Mixed-media**
  - A work of art that combines two or more traditional art media such as paint or ceramics.
- **Design**
  - An organized plan or pattern - an element or component of a decorative pattern.
- **Proportion**
  - describes the size, location or quantity of one element to another.
- **Variety**
  - A principle of design - interest is created when elements such as shape, or color shift or change in relation to themselves.
- **Emphasis**
  - The way in which the elements are used to focus the viewer's attention on parts of the composition.
- **Symmetry**
  - A principle of design in which an element or object on one side balances out the other side.
