

Art Words

Use Art Words as you answer journal responses and discuss art work.

□ Texture

- ▣ The way something feels through touch, or looks as though it may feel when touched.

□ Form

- ▣ The shapes of an object that has the three-dimensions of height, width and depth.

□ Line

- ▣ A mark characterized by length as in the path made by a moving point.

□ Two-dimensional

- ▣ Something that is flat with the dimensions of height and width.

□ Three-dimensional

- ▣ Occupying or giving the illusion of 3 dimensions of height, width and depth.

□ Figurative

- ▣ Representational; showing recognizable objects such as a human figure.
